100% GRASSFED BEEF UNCURED HOT DOGS

Our 100% Grassfed Beef hot dogs made by Hickory Nut Gap are completely free from preservatives, food dyes, nitrates/nitrites, high fructose corn syrup, msg, fillers and artificial ingredients. They are gluten free and delicious!

LOCALLY CRAFTED BRATS

We sourced handcrafted brats from Colfax Creek Farm, tucked

away in beautiful Howard Gap Valley, North Carolina. They are family-owned with fifth generation farmers producing pastured-raised pork with the highest regards to ethical animal welfare, and regenerative farming practices.

WARM SOFT PRETZEL KNOTS

We offer Blunt Pretzels that are vegan and hand-made with 100% organic locally sourced flour. They follow the ancient German pretzel baking tradition here in Asheville since 2010.
